Lasting Legacy Brick Campaign

Would you like to leave a lasting legacy for yourself, your family, your pet, or someone special? The Salem-South Lyon District Library is offering you an opportunity to do that by participating in our lasting legacy brick campaign. You may select the specific wording to be used on your brick according to the following brick sizes and locations:

There are two brick sizes to select from:

- 1.) 4"x8" brick pavers for \$100 or
- 2.) 8"x8" brick pavers for \$250

There are two brick locations:

- 1.) The Entrance Path which will include bricks for personal or business dedications or
- 2.) The Military Service Path, which is dedicated to those who have served or are currently serving in military service to our country.

To add a logo design (see sample designs in the library), add \$25.

If you wish to be a part of the lasting legacy brick campaign, please fill out the order form on the reverse side and enclose it with your check, cash or credit card payment information. Your gift is tax deductible to the extent allowed by law; please consult your tax professional regarding specifics related to your donation. All proceeds will go to support the expansion of the library, its programs and materials.

Imagine the Possibilities if we all work together step by step and brick by brick!
